

# FOUR THINGS YOU NEED TO KNOW ABOUT THE WHO

**1**

The current rules have existed since 2005; this is an update

**2**

Proposed changes do NOT "Give away US Sovereignty to the WHO"

**3**

International law governs rules between countries; not sovereignty

**4**

WHO is ALREADY "calling the shots"

# INTERNATIONAL LAW REGULATES BEHAVIOR BETWEEN STATES

**1**

**Treaties are the  
main source of  
international law**

**2**

**International  
law governs  
rules between  
countries; not  
sovereignty**

**3**

**Sovereign  
nations have  
authority over  
their own law**

**4**

**There is no  
enforcement  
authority for  
international law**
